

Privacy Policy of the BOB Facebook app:

In order to receive information about your Personal Data, the purposes and the parties the Data is shared with, contact the Owner. Here, the Data Controller is the same as the owner

Address of Owners/Data Controllers:

Ram Bhavan, BITS Pilani, VidyaVihar Campus, Pilani, Rajasthan 333031, India,

Contact:

f2016015@pilani.bits-pilani.ac.in

Types of Data collected:

Only the user's facebook ID which is needed to interact with the users is stored. No other user data is required, collected or stored from facebook.

The Personal Data may be freely provided by the User, or collected automatically when using this Application. There are no third party applications linked to the server or the chatbot.

Mode and place of processing the Data

The data(messages recieved) is processed on our server and is not shared or given to any third party by any means. As mentioned earlier, we are not storing any user data apart from user's facebook id.

The Data Controller processes the Data of Users in a proper manner and shall take appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data is processed at the Data Controller's operating offices and in any other places where the parties involved with the processing are located. For further information, please contact the Data Controller.

Retention time

The Data is kept for the time necessary to provide the service requested by the User, and the User can always request that the Data Controller suspend or remove the data.

The use of the collected Data:

It is used to respond to messages and keep a count on the number of users associated with our chatbot.

The Personal Data used for each purpose is outlined in the specific sections of this document.

Legal terms:

The User's Personal Data may be used for legal purposes by the Data Controller, in Court or in the stages leading to possible legal action arising from improper use of this Application or the related services.

The User declares to be aware that the Data Controller may be required to reveal personal data upon request of public authorities.

More details concerning the collection or processing of Personal Data may be requested from the Data Controller at any time. Please see the contact information at the beginning of this document.

User Rights:

Users have the right, at any time, to know whether their Personal Data has been stored and can consult the Data Controller for the same and get it cancelled, updated or corrected, or for their transformation into anonymous format.

Future Changes in Policy

The Data Controller reserves the right to make changes to this privacy policy at any time by giving notice to its Users on this page. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom. If a User objects to any of the changes to the Policy, the User must cease using this Application and can request that the Data Controller remove the Personal Data. Unless stated otherwise, the then-current privacy policy applies to all Personal Data the Data Controller has about Users.
